## Snow and ice storms take hold in Ohio Valley

While Bracken County residents were getting used to the frigid subzero temperatures, the abrupt warm up last Wed., Jan. 10th, put those old enough to remember in mind of the winters of '77 and '78. In preparation of the impending weather, schools in Bracken and the surrounding counties dismissed school at noon on Friday, January 12th, to ensure all students, faculty, and drivers got home safely. The icy conditions prompted a Level One Snow Emergency on Friday evening. Luckily, the ice and snow that came on Friday only made travel difficult that evening. On Saturday road crews were able to get the main priority roads cleared and in good shape by Sunday.

On Monday, January 15th, the next round of snow began early that morning and tapered off by lunch. The second round of the day, a light snow, though began by mid-afternoon and continued through the evening and into the morning on Tuesday, making travel hazardous as roads crews worked diligently to keep up with snow removal and prompting a Level 2 Snow Emergency.

Bracken has three Snow Emergency Levels. **Level 1:** Roadways are hazardous with low-lying and drifting snow and may be icy. Motorists are urged to use caution when traveling. **Level 2:** Roadways are more hazardous with drifting snow and ice. Motorists should travel only if necessary and should contact employers about reporting to work. **Level 3:** all roadways are closed to non-emergency personnel. No one else should be on the roads, unless a personal emergency exists. Employers should be

contacted, and those traveling could be subjecting themselves to arrest. If you have not signed up for the CodeRed emergency notifications you can do so at <https://public.coderedweb.com/cne/en-US/C881E6CFD35D>.

With temperatures expected above freezing on Wednesday and Thursday and into the high 40's, low 50's over

the weekend and into late next week, schools will get back in session and students and teachers will get back into routine, until the next winter weather pattern passes through the Ohio Valley area.

*Rotary Park at the corner of Main Street and Riverside Drive in Augusta is shown on Mon., Jan. 15th, before the second round of snow began.*

## Chamber of Commerce holds Annual Dinner

*Pictured left to right are Clark Hennessey - Augusta West Magistrate, Kathy Free - Retired Circuit Clerk, Perry Poe - Chamber President, and Jim Fields - retired educator and FFA Sponsor.*

The Bracken Co. Chamber of Commerce held their Annual Dinner at the Extension Office of Wednesday, January 10th. After a delicious meal prepared by Jackie Hamilton, Chamber President Perry Poe introduced this year's honorees.

Clark Hennessey, Magistrate for Augusta West, was honored for his 42 years of service to the citizens of Augusta West and Bracken County on the Fiscal Court. He is the longest continuous serving magistrate in the state of Kentucky. He is proud to be the third generations of Hennes-

seys in public service in the courthouse. He jokes that he "has seen many judges come and go".

Retired Circuit Clerk Kathy Free was honored for her 40 years of service to the community in the Clerk's office, of which the last 16 years, she spent as Circuit Clerk. Although she claims to be "retired and now does nothing", she is still active with "Santa Claus Lane" and will continue to be in the years to come.

Bracken County Judge Executive Earl Bush spoke briefly about her being instrumental in all stages of the design and building of the Bracken County Judicial Center and helping to

bring it in under budget. He also spoke of his appreciation of Clark and the wisdom and years of knowledge he brings to the Fiscal Court.

Finally, Jim Fields was honored for his 32 years of teaching and work with the Bracken County FFA. While he presently works at Hinton Mills in Cynthiana, he spoke on how proud he is of "his kids" and seeing many of them and selling them farm supplies. Bracken's Superintendent Jeff Aulick remarked on "how many lives he has touched" during his years at BCHS.

## BCHS 2017 Shoot for a Cure raises \$2,350 for Cancer Support Group

With no further business the meeting was adjourned.

## Thoughts and Meditations from the Scriptures

### THOUGHTFULNESS

The simple act of thinking about the needs and desires of others is often the seed of charity, compassion and mercy. Compassion depends on our ability to put ourselves in someone else's place and imagine what it would be like to be them. We often use the word "thoughtful" without really thinking about what it means. To be thoughtful really means to use your imagination and to try to see things from the other person's perspective. We often think we are being thoughtful when we are just doing for the other person what we would want done, but to be truly thoughtful you should try to do for the other person what he or she would want done. People are not all the same. Some like things quiet and simple while others crave noise and excitement. Treating someone to dinner at your favorite restaurant is nice for you, but treating them to dinner at their favorite restaurant is nicer for them. Some like to be the center of attention while others shun the limelight. In our ongoing quest to be more loving and compassionate to others, we should strive to imagine more fully what it is like to be the people with whom we share this world. God created each one of us a unique creature, and with seven billion different people on the planet, that gives us a lot to think about. – *Christopher Simon*

*"Do nothing out of selfish ambition or vain conceit. Rather, in humility value others above yourselves, not looking to your own interests but each of you to the interests of the others."* —*Philippians 2:3-4 NIV*

### NEW LIFE FELLOWSHIP

by Beverly Whittaker

Pastor Doug's message this morning, Jan. 14th, was about distinguishing between absolute and relative truths. When we live out God's absolute and not make them relative, you become blessed as it was meant to be. (Malachi 3:6-18).

Our annual Valentine's Day Banquet will be on Wed., Feb. 14th at 6 p.m. at the church. This is a fun event and we will be playing "The Newlywed Game." This is a great time of fellowship and fun.

Our Celebrate Recovery meeting is on Thursday evenings at 6 p.m. at the church. Our next meeting is on Jan. 18th. The public and their families are invited to attend. Celebrate Recovery is a Bible-based program for people and their families battling addictions, depression, anxiety, or hang-ups. Each meeting is facilitated by Justin and Aleisha Hurst. Childcare and light refreshments are provided.

We invite you to our services here at New Life. Sunday morning coffee and fellowship begins at 9:15 a.m. Sunday morning Bible Study is at 9:30 a.m. and praise and worship at 10:30 a.m. Remember God loves you and so do we!

### Life and Faith Discussion Group

There will be a Life and Faith Discussion Group held at the Bracken County Public Library on Thursdays at 6 p.m. beginning January 25.

This is intended to be an open discussion of issues related to Life and Faith conducted in a non-judgemental, respectful environment. Everyone is invited regardless of faith or non faith tradition.

For more information call Yancy Adamson at 606-782-5014.

### GREETINGS FROM ST. JAMES

by Caroline Jefferson

Due to the cold and snow this past Sunday, St. James Parish School of Religion was cancelled but with more agreeable weather conditions forecast, classes will be held this coming Sunday, January 21 after the 8 AM Mass until 10:30 AM. The following Sunday, January 28 we will be hosting our monthly Fourth Sunday Breakfast after Mass. All are invited to come and worship with us and then enjoy a good hot breakfast along with good fellowship in a warm building!

Friday, January 19 has been set aside as a day of fasting and prayer in the Diocese of Covington in conjunction with the annual pilgrimage to Washington D.C. to commemorate the 45th anniversary of the Supreme Court's decision to legalize abortion in America. Since that infamous Roe v. Wade decision on January 22, 1973, we have allowed over 59,135,000 babies to be killed through abortion in the United States alone! We pray that the laws of this great country will be changed to reflect the respect and sanctity of the human life in every stage of its development from conception to natural death! May God hear and answer our prayers!

Ron has begun a new series of messages based on ordinary people who do extraordinary things in the Bible, titled IF, Incredible Faith. First up, Noah! Sadly, the world was so wicked that God placed it under judgement, but he found favor in Noah and provided him an escape. Thankfully, Noah trusted God and obeyed Him. Do you trust God's plan? Next week - Abraham! This is an exciting series you don't want to miss!

There is always some exciting events happening for all ages at BCC. Please friend us on Facebook, check out our website, give us a call, or stop on by we'd love to meet you. Donuts, coffee, juice Sundays at 9:15 a.m., service 10:45 a.m.

### AUGUSTA TRINITY

by Brooke Barley

Pastor Johnny continued his January series on Leadership with a sermon about "Being A Shepherd To Others". He referenced the scriptures of 1 Peter 5:1-10 and 2 Timothy 4:1-8. If we claim to be Christians we are called to guide others by sharing our faith by guiding others by example.

If you are ready for a new found or refund relationship with God please join us Sunday at 10:45 a.m. We will also have Sunday School focused on Discipleship from 10 a.m. to 10:35 a.m. Breakfast will be served at 9:30 a.m. to 10 a.m. We also have youth night on Fridays at 6 p.m. with dinner served, games, a short lesson, and building friendships.

Please save the date for a Benefit Gospel Concert on 01/20 at 6 p.m. featuring "The Gabbard Family", "River Valley Sound", & Special Guest "Autumn Plummer".

Our God has always & will always be faithful, always forgiving & loving, and forever on time. We hope you will join in a new beginning with all the support and love we have to offer to anyone and everyone.

### OAKLAND CHRISTIAN

by Barbara Browning

Attendance was down because of the weather, but the spirit inside was uplifting! No matter how many gather to worship, God is always there. The message reminded us that we should be moving and be changing lives for Christ.

Several gathered for the evening Congregational Meeting and we appreciate the Board for their meal. All business items were approved.

The Men's Fellowship is now January 22 at Milford Christian Church, with Bob Cannon as guest speaker.

"Ladies Day on the Ridge" committee will meet Fri., January 26, 6:30 p.m.

A Lock-In for the Jr. Hi and Sr. Hi youth is Jan. 26-27, meeting at Oakland at 6:30 p.m. on Friday night.

Prayer concerns include Carol Miley, Terry Bay, Jeanine Cox, Ronnie King, Bud Hinton, Jonathon Goshorn, Kenny Burden, Linda Johnson, Tim Jarvis, Ron Foley, Charlie Tarvin, Connie Peed, David Estep, shut-ins, cancer issues, our nation and our military.

## Trash Talk

by: Mr. Recycle Bin & Ms. Pick-Up Litterbug

Howdy Folks! Last Monday Mother Nature gave us some freezing rain and an unexpected day off for schools, and this Monday morning the scheduled school, some businesses and government closings for Martin Luther King, Jr. Day was perfect timing to keep folks home due to the snowy conditions! Less traffic on the roads allows the state and county road departments to accomplish their task of scraping and salting the roads more efficiently. Martin Luther King, Jr. was born in Atlanta on January 15, 1929, and was assassinated on April 4, 1968, in Memphis, Tennessee at the age of 39. MLK, Jr. Day was declared a National Holiday by President Ronald Reagan in 1986 and is celebrated on the Monday closest to Mr. King's birthday which of course, this year, fell on the actual day! Over the years it has evolved into a 'day of service' for Americans who are encouraged to volunteer and help those less fortunate. With the cold, snow and wintery conditions we all have

the opportunity to do just that over the next several days! Please be careful when out and about and definitely check on elderly family, friends and neighbors!

We neglected to advise you in last week's article that the Recycling Center would be closed for MLK, Jr. Day, but most of you have grown accustomed to the closing schedule of the center and adjust your drop-off times accordingly. Winter recycling is definitely contingent on current weather conditions and we do not want anyone attempting to recycle in cold and snowy conditions! "Better safe, than sorry" is the winter recycling motto! And if you haven't started a recycling program in your home, we suggest you start today with aluminum and steel cans!

These two metals can be recycled indefinitely! Recycling aluminum saves 95% of the energy required to produce the metal from natural resources and recycling steel cans saves 74% of the energy used to produce them! Taken annually,

## Frankfort: House Week in Review

State Rep. John Sims, Jr.

When it comes to setting the state's priorities, no other legislation plays a bigger role than the state's budget. It funds our schools, keeps us safe, maintains our highways, strengthens our collective health and affects our lives in countless other ways.

With that in mind, Governor Bevin visited the House chamber on Tuesday to present his vision for state spending during the next two fiscal years. As my House and Senate colleagues and I waited to see what that plan contains, I thought it would be good to take a closer nuts-and-bolts look at the process while also reviewing the challenges we face at a time where the gap between what we need and what we can afford is the widest it has ever been.

If you count every tax dollar that flows through state government – a figure that includes federal sources as well as such restricted funds as college tuition – the two-year total for the 2016-18 budget cycle amounts to about \$74 billion.

However, most of the General Assembly's focus on the budget centers on two key sections funded by your state tax dollars: The General Fund and the Road Fund. The former is roughly \$11 billion a year, while the latter amounts to about \$1.5 billion annually. Together, these two areas largely guide how the remaining federal and restricted funds are spent.

In breaking the Gen-

eral Fund down further, about 45 percent goes to elementary and secondary education; 10 percent is sent to our public colleges and universities; 17 percent represents our contribution to Medicaid; 11 percent covers criminal justice; seven percent goes to human services; and the remainder covers everything else, from our state parks to environmental protection.

The General Fund's revenues come from a variety of sources, but the individual income tax and sales and use taxes account for about three-fourths of the total.

One of the relatively smaller sources, coal severance, has taken a particularly hard hit in the past half-dozen years. It brought in almost \$300 million in 2012, but that dropped to \$100 million last year, and it is on track to decline to \$65 million by 2020. As tough as that is for the state, it has been devastating for many of our coal-producing counties.

It is no understatement to say the loss of coal severance dollars and the Great Recession have been a one-two punch for the state. Numerous budget cuts over the past decade are nearing \$2 billion overall, and rising payments necessary to fund our public retirement systems have had an impact as well.

In many ways, and through a series of reforms in such areas as Medicaid and criminal justice, we have been able to do more with less,

that savings is enough to power all the homes and businesses in Los Angeles for eight years! It takes approximately 31 cans to make one pound of aluminum and in December according to the information we received, aluminum cans were selling for up to \$.72 per pound! Recycling rates for aluminum cans is at 60% globally or approximately 106,000 cans per minute but there is still plenty of room for improvement! That other 40% is sent to landfills, thrown out along highways and waterways or incinerated! It takes only six weeks for cans to be recycled and back on the shelf and some folks feel that this is not a sanitary process. In order to be processed the cans are sent to a smelter and brought to their melting temperature of 1,400 degrees so any material other than the aluminum is destroyed in the process!

Did you know that Coors Brewery was the first company to use aluminum cans in 1959 and by the 1980's, the aluminum can was considered the king of beverage containers?

Those first cans weighed three ounces and today through advances in technology and innovation, those same-sized containers now weigh less than half an ounce! The steel can was first used in England in 1810. Since that beginning of hand-rolled cans that had to be opened with a hammer, advances followed with mass produced cans and the can opener! So today, our role in the process is RECYCLING those aluminum and steel cans while also developing the other good habits of REUSING and REDUCING to keep God's earth clean, green and beautiful! Be seen? you – *Bin & Bug.*

but there is near-universal agreement in the Capitol that maintaining that goal during the upcoming budget will be the toughest task legislators have faced in modern times.

The good news is that moderate growth is forecast for the budget cycle, and state officials announced on Wednesday last week that revenues in December were 11.2 percent greater than they were that month a year earlier. A shortfall we thought would be \$200 million or greater in August is now \$40 million above budget projections for the current fiscal year.

Once the governor and the leaders of the Legislative and Judicial branches present their budgets, the House will spend six to eight weeks dissecting them, to see what changes we may like to make. The Senate will then do the same, and a compromise should be ready for a final vote by the end of March. After becoming law, these budgets will take effect in July.

My goal in this process is to make sure we take prudent steps to pay our bills without putting an undue burden on our children or our public employees/retirees. If Governor Bevin proposes severe cuts affecting those groups, we will need to take a very close look at whether this is truly necessary. That could include looking at tax reform, to see if the numerous incentive and credit programs we have authorized over the years are still promoting economic development or should be phased out.

On a more personal note, I was proud to file legislation last Wednes-

day that proposes to legalize medical cannabis. I co-chaired a task force on the issue that Sec. of State Alison Lundergan Grimes formed, and served with Maysville resident Eric Crawford. We believe it is time to make Kentucky the 30th state where this is legal, and my House Bill 166 stands as model legislation, because it builds on what has been proven to work.

This issue is important to us, because there is no doubt that medical cannabis would benefit many, and studies show that it can have a positive and significant impact on opioid overdose deaths, which have reached epidemic levels here in Kentucky.

I will keep you updated on the progress of that bill, the budget and others in the weeks ahead, but for now, I want to thank those of you who have reached out to me about issues or concerns you have and encourage others to do the same. My address is Room 429C, Capitol Annex, 702 Capitol Avenue, Frankfort, KY 40601, or you can send me an email at John.Sims@lrc.ky.gov.

You can also leave a message for me or for any legislator at 800-372-7181. For those with a hearing impairment, the number is 800-896-0305. These lines are staffed by legislative employees and maintain later hours during this time of year.

The General Assembly's website – www.lrc.ky.gov – also has a considerable amount of information, including the full texts of all bills and resolutions.

I hope to hear from you soon.

## Senior Citizens Happenings

Welcome to Senior Citizen Happenings. Please come and join us. Just give us a try and have some fun. We are a happy family!

Happenings for Tues., Jan. 9 - Sheila reminded us during this flu season to always take precautions. Wash those hands! Germs are spread through hands.

We had 17 here today. Always glad to see each of our friends but we sure miss those that aren't here.

Keep each other in prayer. Pauline Jefferson has been in the hospital and is home recuperating from surgery. Iwana Young has been having trouble with her back and legs. Sheila has been having problems with bronchitis. Tommy Wenz had been having test and will be having some surgery on his back. Also keep Delores Perkins and Bob Eisenman. Maxine Cummins and Kathy Williams and her family in prayer and all those that are hurting and sick.

David Jefferson led us in prayer. After lunch, we play euchre again and there is always bingo led by our little Ms. Peggy Tucker.

Our winners today were: Betty Hargett, Reed Bailey, Shirley Bailey, Shirley Young, Peggy Tucker, and cover all was Shirley Bailey.

Reed Bailey reminded us to sign up for volunteering for our meal that we will be having on Jan. 26 for our fundraiser. We need our Senior's help and they all have done so well and we do appreciate that so much. It takes everyone working together and do this because we love and support each other.

Happenings for Thurs., Jan. 11 - Sheila gave us updates on the sick. Glenn Littleton has pneumonia and has been taken care of by his family. Continued prayers for Kathy Williams and Patty Bess and all those that were unable to be with us...YOU WERE MISSED!

Today we had a speaker from Moorhead. Helisha Tuerk informed us on "Empowering Seniors To Prevent Healthcare Fraud".

Always check out any insurance statements to make sure you haven't been charged twice. WATCH OUT FOR SCAMS! We will be getting new Medicare Cards between April 2018 and April 2019. They will be mailed out to you. You do not have to do anything. Your new card will have a new

Medicare Number that is just for you. Your SS Number will not be on it. This will help to protect your identity. Do NOT destroy your New Cards! If your card would be lost or stolen it's relatively easy to replace. Contact your local Social Security Office. We were given informative papers and she answered our questions and would be available whenever we would need her.

The Lord's Prayer was said prior to our meal.

We talked about various activities that are being planned for when we start having some warmer weather. Any ideas are welcome. Our first one will be a Valentine Party for our senior members. We will be having a spaghetti supper and will have a guest to bring us some beautiful singing. We will have more info on this later. All our activities will be paid for by our Senior Activity Fund Raiser Committee. The money will be used to help our seniors when we do any activities. They will not have to pay for their meals when we go out. There will be more on this later...we are working on this and we appreciate your help. You all have been GREAT!

Our bingo winners today were: Margaret Dalip, Shirley Young, Barbara Woodruff, Hazel Welch (Augusta), Betty Hargett. Cover all: Barbara Woodruff and Hazel Welch.

Until next week...be a blessing to each other and give thanks to God for all His blessings each day.

*The Golden Girl*

## Ways to save on winter heating costs

*Submitted by Shannon Smith, CES Educator for Family and Consumer Sciences*

With the winter we have had thus far, chances are you've seen at least one or two high heating bills. While home heating costs can put a strain on your wallet during the winter, you can do certain things to save money on these expenses while still keeping your home warm.

Sunlight, even in the winter, is a great way to add natural, free warmth to your home. Open your blinds and curtains during the day, particularly on south-facing walls as they get the most exposure to the sun. As the

sun sets, close them to help trap in the warmth.

Leaks in your windows and doors can allow warm air to escape and cold air to come inside. Check your home for air leaks, and fill gaps and cracks with caulk or insulation. Air can also escape through your chimney. When you are not using it for warmth, close your fireplace's damper to keep in warmth. Use area rugs on tile, wood or laminate floors to help trap in heat.

Turn your thermostat down when you leave the house for work or other extended periods of time. This keeps you from paying for

## MARTIAL ARTS - SELF DEFENSE

Milford Christian Martial Arts classes for the new year started on January 9th at Milford Christian Church. Karate classes will be held for grades 3-8 on Tuesday, Wednesday, and Thursday from 5-6pm. Teen and Adult classes will be on Tuesday and Wednesday from 6-7pm.

New students are invited to join anytime during class hours. There is **no charge** but students must provide their own uniform (after 2 weeks) approved by the instructor.

Adults and teens who want only to take self defense lessons will attend just the Wednesday class. Dress in loose appropriate attire for workout.

Bring the kids to learn discipline, respect, and integrity along with self defense skills in a Christian environment. Emphasis is placed on building confidence and self control.

Teens and adults come and learn martial arts skills in Rye Kyu Kempo, Aiki-Jitsu, Kyusho, Tai Chi and basic self defense techniques to protect you and your family. Great way to stay in shape!

Please encourage friends and classmates to take advantage of this free program. Classes taught by Master Mark Edgley 5th Dan and Christina Bezold 2nd Dan (Tora Tsuru Ryu Kyu Kempo- Okinawan Karate-do).

## Bracken natives finish successful XC Season

Bracken County natives, Jacob Hamilton, left, and Camryn Snapp, right, had a very successful Cross Country season at Campbellsville University.

Camryn Snapp, a 2016 graduate of Augusta High School, finished his sophomore year with Top Academic honors for the Mid-South Conference and on the Dean's list for the Fall of 2017. Camryn is the son of Jason and Amy Snapp.

Jacob Hamilton, a 2017 graduate of Bracken County High School finished his freshman year as Runner-up Freshman of the Year for the Midsouth Conference, All Conference Team and on the Dean's list for Fall of 2017. Jacob is the son of Mark and Stephanie Hamilton.

Their team, the Campbellsville Tigers, finished the 2017 cross country season as Runner-up in the Mid South Conference, Runner-up at the Berea Invitational, and 3rd place at the NCCAA National Championship in Jackson, Mississippi.

The Campbellsville Tigers will start their Indoor Track Season on Friday, January 19th in Indiana.

## Panthers defeat Saints in All "A" quarterfinals

After falling to the St. Patrick Saints back in December, ending a streak of 14 straight wins over their district rival, the Panthers were anxious to take the floor against them to start a new streak. The place would be Nicholas County for the 10th region All A tournament quarterfinals. The Panthers got off to a slow start in the 1st quarter trailing 6-2 but then went on an 11-2 run to finish the quarter and lead 13-8. They kept up that pace in the 2nd quarter and took a 28-17 lead at the break.

The Saints were not finished though as they cut the lead to four early on in the 3rd quarter only to see the Panthers go on another run, 12-2, to stretch the lead to 43-29 and on a David Reed buzzer beating three pointer would be up 47-37 lead going into the 4th quarter. In the final quarter St. Patrick would be forced to foul to try to come back and the Panthers made sure they would not let that happen as they went 11-15 from the free throw line to seal the game, 70-53. The win evened the Panthers' record at 7-7.

"We showed up tonight and took care of business," said Coach Kirk, "It took a good team effort to get this win and advance and that's what we got. We'll come back on Wednesday and see if we can keep this going."

Scoring vs. St. Patrick: Eichenberger 17, Cordle 13, Ripato 12, Appelman 9, T. Mains 9, Philpot 6, Reed 4.

## Panthers fall to Black Devils 49-60

After getting past St. Patrick on Saturday, January 6th, the Augusta Panthers would get the Robertson County Black Devils in the 10th region All "A" semifinals hosted by Nicholas County. The teams met back in November with Robertson County taking the 78-62 win. Augusta did a good job of keeping the game close in the 1st quarter only trailing 13-10 going into the 2nd. That quarter would also stay close as the Panthers were still hanging around as the Black Devils led 25-23 at the break.

The 3rd quarter would be a quarter of runs, the first belonging to Robertson County. An 8-2 run pushed them ahead 33-25 only to see Augusta battle back with an 8-0 run of their own that tied the game at 33 all. But as quickly as the Panthers grabbed the momentum, Robertson County snatched it right back with a 6-0 run to close out the quarter, 39-33. The Black Devils extended the lead to 9 with their first possession and Augusta would only get as close as 8 as Robertson County used a combination of hitting free throws, taking the air out of the ball and causing turnovers to keep the Panthers at a safe distance and moving on to the finals with a 60-49 victory. Augusta fell to 7-8 on the season.

"I thought we came out ready to play with intensity and really battled early on," said Coach Kirk, "But turnovers got the best of us late. Our focus needs to be better, especially in a tournament atmosphere."

Scoring vs. Robertson County: Cordle 18, Ripato 11, Eichenberger 10, T. Mains 6, Appelman 4, Philpot 2.

#### NOTICE OF SALE MASTER COMMISSIONER SALE

**ELLIS WEST, ET ALS                      DEFENDANTS**  
\*\*\* \*\*

In obedience to an Order of sale entered on the 17th day of November, 2017, in the above action, I will, as Master Commissioner proceed on:

**FRIDAY, JANUARY 26, 2018  
AT THE LOCATION OF THE  
REAL ESTATE**

**2510 COOK RIDGE ROAD  
BROOKSVILLE, BRACKEN COUNTY,  
KENTUCKY AT 11:00 a.m.**

to sell the hereinafter described real estate located at 2510 Cook Ridge Road, Brooksville, Bracken County, Kentucky. This property is described in Deed of record at Deed Book 162, Page 272, Bracken County Clerk's Records. Parcel Mapping number: 31-03. This real estate lays on both sides of Cook Ridge Road and consists of approximately 205.28 acres which is all to be sold in one parcel.

This sale is a partition sale ordered by the Court. The purchaser may pay in full at the sale if he/she chooses to do so. Otherwise, the purchaser immediately after the sale shall pay not less than 10% of the purchase price, and execute bond with surety, who is a Kentucky resident and who is approved by the Master Commissioner, for the balance of the purchase price, payable to the Bracken Circuit Court Clerk within thirty days with interest at 6.00% per annum on the balance from date of sale until paid in full. The bond shall have the force of a judgment and a first lien shall be retained on the property as security for the payment of said bond and interest. The purchaser shall at his/her own expense carry fire and extended coverage insurance on all insurable improvements located on the real property from the date of sale until the purchase price is paid in full, with loss payable to the Master Commissioner. The purchaser shall be required to assume and pay all taxes assessed against the property for 2018 and all subsequent years. The title interest of the parties to this lawsuit will be conveyed without warranty by the Master Commissioner to the purchaser and the purchaser shall be entitled to possession upon payment of the purchase price in full after confirmation of the sale by Bracken Circuit Court, subject to any equity of redemption if the property does not sell for two-thirds of its appraised value.

### NOTICE

Notice is hereby given that on January 10, 2018, Kentucky Utilities Company ("KU") have filed an application with the Kentucky Public Service Commission ("Commission"), Frankfort, Kentucky, pursuant to KRS 278.020(1), 807 KAR 5:001 Sections 14 and 15, and 807 KAR 5:011 Section 6(2)(b) seeking an Order granting KU Certificates of Public Convenience and Necessity ("CPCN") for the full deployment of Advanced Metering Systems ("AMS") across its Kentucky service territory and approving its proposed AMS Opt-Out Special Charges. In its application, KU will notify the Commission that the changes to the Special Charges Standard Rate tariff sheets are proposed to become effective on and after February 9, 2018; however, because KU anticipates the Commission will suspend the proposed changes in the Special Charges tariffs to conduct an investigation of the proposed changes, KU will ask the Commission to approve the proposed changes to be effective on June 1, 2018.

KU will propose a cost-based opt-out charge structure for customers who desire to opt out of AMS. The proposed charges will be new and optional; customers who do not desire to opt out of AMS will not have to pay the charges. The proposed opt-out charge structure will consist of a \$72.71 opt-out set-up fee and a \$32.45 recurring monthly fee.

Complete copies of the proposed tariffs containing text changes and proposed rates may be obtained by contacting Kentucky Utilities Company at 220 West Main Street, Louisville, Kentucky, 1-800-981-0600, or visiting Kentucky Utilities Company's website at [www.lge-ku.com](http://www.lge-ku.com).

Notice is further given that a person may examine this application at the offices of Kentucky Utilities Company, 100 Quality Street, Lexington, Kentucky, and may also be examined at Kentucky Utilities Company's website at [www.lge-ku.com](http://www.lge-ku.com). A person may also examine this application at the Public Service Commission's offices located at 211 Sower Boulevard, Frankfort, Kentucky, Monday through Friday, 8:00 a.m. to 4:30 p.m., or through the Commission's website at <http://psc.ky.gov>.

Comments regarding the application may be submitted to the Public Service Commission, by mail to Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602, or by sending an email to the Commission's Public Information Officer at [psc.info@ky.gov](mailto:psc.info@ky.gov).

The rates contained in this notice are the rates to be proposed by Kentucky Utilities Company, but the Public Service Commission may order rates to be charged that differ from the proposed rates contained in this notice. A person may submit a timely written request for intervention to the Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602, establishing the grounds for the request including the status and interest of the party. If the Commission does not receive a written request for intervention within thirty (30) days of initial publication or mailing of the notice, the Commission may take final action on the application.

## 5 Winter Road Warrior Tips

### Take Care of the Battery:

Winter temps cause a car's electrical system to work harder, particularly with the increased power demands of heating systems, defrosters and windshield wipers.

Plus, the cold temps reduce a vehicle's battery power by up to 50 percent.

A car battery typically lasts 3-5 years, so keep track of the battery's age.

Battery cables and clamps should also be checked regularly for fraying or corrosion. Battery acid corrosion appears as a white, powdery substance. Clean them with baking soda, water and a toothbrush.

### Monitor Your Fluids:

**Antifreeze** – Drivers will want to keep their antifreeze/coolant mix at the appropriate levels to prevent the engine from freezing and reduce corrosion. A 50/50 mix will keep fluids from freezing at temperatures as low as -34 degrees.

**Oil** – Cold temperatures make motor oil thicker and creates unwanted friction in the engine. Consider using a lighter grade of oil in the winter months if you live in a cold climate. It's best to check the fuel, air and transmission filters at the same time.

**Gas** – Keep your gas tanks at least half full during the winter months. This will decrease the chances of moisture from condensation freezing and block the flow of gas in the fuel lines.

### Check Your Tires:

Winter temps cause the air in cold tires to contract and drop in pres-

sure. Deflated tires will reduce the tread and the traction of the car, which can significantly increase the chances of sliding on icy patches.

Read your owner's manual for suggested pounds per square inch and fill up at a local gas station to prevent sliding on the ice.

Having properly inflated tires will also save on gas mileage by as much as three percent.

### Clear Your Car to See the Road:

Many people are in such a rush to get to their destination that they do not take the necessary time to clear the outside of their car and windshield.

Make sure wiper blades are in proper working order and free of cracking or deteriorating, and also monitor the levels of wiper fluid.

Clear all snow and ice from the windshield for proper visibility and from other parts of the car for the safety of other drivers.

Test defrosters and allow time for condensation to clear from the entire windshield before heading out on the road.

### Create a Winter Weather Kit:

Car owners should keep an emergency kit inside their vehicle that includes a flashlight, jumper cables, cell phone charger, ice scraper, snow brush, blanket, bottled water and dry food snacks.

Keep a supply of salt, sand or kitty litter to spread on the ground to gain better traction on icy patches.

## AIS Class of 2018 to host Chili Supper Friday, January 19<sup>th</sup>

The Augusta Independent Class of 2018 will be having a chili supper on Friday, January 19th, to help fund their senior trip. In the spring, the class will be traveling to New York City. The meal includes

a bowl of chili, a pimento cheese or peanut butter sandwich, and a drink for \$5.00. Various desserts will be available for a donation. Carry-outs are also available.

The supper will be served in the school caf-

eteria before and during the girl/boy basketball doubleheader against Robertson County from 5 p.m. - 8 p.m. The girls varsity begins play at 6 p.m. and varsity boys at 7:30 p.m. The Black Diamond cheer squad, the

Kiddy Cat cheerleaders, and varsity cheerleading squad will be performing throughout the night.

Come out and support the senior class and enjoy an entertaining evening.

## Augusta Ind. to Host District Governor's Cup Competition

On Saturday, January 27, 2018, local schools will gather to take part in the 39<sup>th</sup> District High School Governor's Cup Competition, an academic event sponsored by the Kentucky Association for Academic Competition. Participating schools are: Augusta High School, Bracken County High School, Harrison County High School, and Pendleton County High School. Governor's Cup features eight events, including the Quick Recall event, which is the only one open to the public. Quick Recall begins at 10:45 a.m.

District winners advance to the Regional Governor's Cup competition to be held at Lewis County High School on Saturday, February 17.

## National Popcorn Day

Once defined as a time of quiet hibernation, winter has come into its own, in a social sense. Maybe it's the urge to escape the doldrums of the season. Or maybe it's just that misery loves company. Either way, there's plenty of entertaining to do in the chilly winter months and that means you'll need plenty of great snacks on hand to share with friends.

Friday, January 19th, is National Popcorn Day, a day to honor one of America's oldest and most beloved snack foods (not that anyone really needs an excuse to celebrate popcorn). Whether you pop up a bowl to binge watch your latest obsession or spend the day creating culinary whole-grain masterpieces to feed friends, you can't go wrong when popcorn is the star of the day.

Here's a twist on a classic sweet and crunchy

Courtesy of the Popcorn Board

snack - with maximum flavor from kisses of warm cinnamon and maple atop mounds of popcorn and nuts.

### Cinnamon Popcorn Crunch

Makes: 12 cups

#### Ingredients:

12 cups unsalted, unbuttered popped popcorn  
1/3 cup chopped unsalted almonds, coarsely chopped  
1/3 cup chopped unsalted cashews, coarsely chopped

1/3 cup chopped unsalted pecans, coarsely chopped

1/2 cup butter  
1/2 cup coconut sugar

1/2 cup maple syrup  
1/4 cup brown rice syrup

1 tsp salt

1/2 tsp cinnamon

#### Directions

1. In large mixing bowl, combine popcorn, almonds, cashews and pecans.

2. In saucepan, combine butter, sugar, maple syrup, brown rice syrup, 1/4 cup water, salt and cinnamon; bring to boil over medium heat, stirring occasionally. Cook until mixture reaches hard crack stage (295°F).

3. Slowly pour syrup in thin stream over popcorn mixture. Toss gently to coat evenly. Let cool; break into large chunks.

Tip: Add dried fruit, such as cranberries or mangoes, if desired.

## VOLUNTEERS ADVOCATING FOR CHILDREN

### Who are CASA Volunteers?

CASA Volunteers are EVERYDAY PEOPLE who care about children! A volunteer must be at least 21 years of age, pass a criminal background check and have a high school diploma and/or GED. Volunteers of the CASA Program for Bracken, Fleming, and Mason Counties, Inc. are compassionate, objective, self-motivated individuals from our community who are trained to speak on behalf of abused and neglected children. They come from all walks of life and a variety of professional, educational and ethnic backgrounds. Many volunteers work full-time, but others work part-time, stay at home or are retired. All are passionate and committed to helping abused and neglected children.

### What are the roles of a CASA Volunteer?

Volunteers are officers of the court. They serve as an extra pair of "eyes and ears" for the District Judge in child abuse and neglect cases. CASAs meet with the child on their case and independently gather information from others who are involved in that child's life. This includes researching each child's situation and making objective recommendations. CASA volunteers are frequently the one constant person in the child's life as they navigate the foster care system. The volunteer's sole objective is to represent the best interests of the child.

### CASA'S Mission...

Our mission is to provide trained community volunteers to speak for children in court who are victims of dependency, neglect and/or abuse. We help children find a safe, permanent and loving home as soon as possible.

**A new volunteer training class will start soon. The training is free and refreshments are served. For more information, contact CASA at 606-563-7431.**

**CASA protects our most vulnerable citizens, please consider being a powerful VOICE in a Child's Life.**
